COMPANY PROFILE

Since its inception in 1992, IMEC has been bringing cleaning innovations and solutions to Malaysia, and countries worldwide. As the leading supplier of commercial and industrial cleaning products, IMEC offers the best range of hygiene solutions to various industries including Hospitality, Healthcare, Banking, Retail, Food & Beverage, Manufacturing, and Government agencies for both Domestic and International Market.

In 2011, IMEC marked a new milestone with its headquarter moved to a new bigger premise with full facilities in Malaysia. With a fully equipped Research & Development facility, IMEC strives for continuous product improvement and development to build new market trends and set new standards for excellence in the cleaning industry.

In addition to our strong Sales & Service Network in Malaysia and Asia Pacific Region, IMEC now brings to you a whole new buying experience for Hygiene Solutions via IMEC Online Store!

VISION

We aspire to be a global leader of commercial and industrial cleaning products and equipment, not only as an OEM and sole distributor of international brands, but also as a manufacturer of our own internationally-recognized brands. In short, we aim to be **"THE GLOBAL HYGIENE SOLUTION PROVIDER"**

MISSION

- To provide all commercial and industrial hygiene solutions to our customers.
- To always exceed customer expectations.
- To stamp out footprint all over the Asia Pacific region.
- To extend our marketing reach beyond Asia Pacific's borders and makes inroads into other continents.
- To intensify R&D efforts to introduce quality brands of our own.

WE UNDERSTAND YOUR CLEANING NEEDS.

At IMEC, we understand your cleaning needs. Our years of experience and continuous effort in Product Research & Development makes us who we are today. We take the lead in new product innovations and set the trend in cleaning industry. Together, we can achieve a safer & cleaner environment for you and future generations.

Managing Director
IMEC HYGIENE SDN BHD

CUSTOMER SERVICE

IMEC reputation is built on caring customer support. Our team is well trained and always ready to provide prompt service. It is our commitment to offer the greatest convenience to our customer.

CARE FOR THE ENVIRONMENT

We are devoted to care for the environment. Our priority reflects our desire to formulate high performance cleaning chemicals which are safe to use and care for the future environment.

CONSULTANCY & TRAINING

IMEC provides training programmes in the use of IMEC cleaning chemicals and machineries as a complimentary and value added service to our Sales and Marketing efforts.

CERTIFIED

As an MS ISO 9001:2015 certified company, IMEC adhere to strict quality control standards. Most of IMEC detergents are now certified as Halal by JAKIM and safe to use in the kitchen, F&B and food manufactured industries.

DISTRIBUTORSHIP

Today, IMEC is the sole distributor for several international renowned brands in the region.

INNOVATION & RESEARCH

We strive for continuous product improvement and development. We are ahead into research innovative and environmental friendly hygiene products. We serve the best range of products from all over the world.

▼ Stripper

IMEC Floor Polish is slip resistant and protects the flooring

IMEC 501 Instant Strip

Code 100-501-C Packing 2x10L/Ctn pH (0.5±) 12.0

- Fast acting solvent-based polish stripper
- Removes old wax or water emulsion polish except permanent wax and epoxy coating

IMEC 502 Meta Strip

Code 100-502-C Packing 2x10L/Ctn pH (0.5±) 12.5

- Synthetic polish stripper for removing old wax or water emulsion polish except permanent wax and epoxy coating

▼ Buffing Solution

▼ Floor Sealer

IMEC 506 Meta Seal

Code 100-506 Packing 5 U.S. Gallon/Pail pH (0.5±) 9.5

- Water based acrylic emulsion sealer
- Best for porous and badly worn-out floorings

IMEC 509 Poly Buff

Code 100-509-5 Packing 5L/Bottle pH (0.5±) 9.0

- Acrylic spray buff maintainer to be used with Ultra High Speed Burnisher
- Provides a durable film with low dirt absorption

▼ Floor Polish

IMEC 504 Poly Lite

Code 100-504 Packing 5 U.S. Gallon/Pail pH (0.5±) 9.0

- High solids metal-interlocked emulsion polish
- Gives high degree of glass levelling and good heel mark resistance

IMEC 505 Thermo Meta

Code 100-505 Packing 5 U.S. Gallon/Pail pH (0.5±) 9.0

- Thermoplastic metal-interlocked emulsion polish
- Produces an excellent hard-wearing, slip resistant and heel mark resistant protective film

Detergent

Hard Surface Cleaner

IMEC 511 Kleen All

Code 100-511-C Packing 2x10L/Ctn pH (0.5±) 7.0

- Highly concentrated multi-purpose neutral cleaner
- Safe to use on all surfaces and suitable for daily cleaning

IMEC 551 MP7

Code 100-551-C Packing 2x10L/Ctn pH (0.5±) 7.0

- Highly efficient multi-purpose neutral cleaner
- Safe all surfaces and suitable for daily cleaning

Using IMEC P10N pump prevents leakage and wastage during dispensing detergent

IMEC 510 Surf Kleen

Code 100-510-C Packing 2x10L/Ctn pH (0.5±) 13.0

- Biodegradable alkaline general purpose cleaner
- Removes dirt, dust, oil and grease
- For all hard floor surfaces except wax coating

IMEC 599 M Clean

Code 100-599-C Packing 2x10L/Ctn pH (0.5±) 11.0

- Rinse free pleasant odour detergent
- Cuts through stubborn dirt without much effort

IMEC 599 M Clean GP

Code 100-599GP-C Packing 2x10L/Ctn pH (0.5±) 11.0

- Non caustic cleaner
- Rinse-free cleaner without fragrance

IMEC 516 Cement Solve

Code 100-516-C Packing 2x10L/Ctn pH (0.5±) 0.5

- Highly concentrated acidic cement remover for quick removal of unwanted cement on mosaic and tiles

IMEC 518 Strate Kleen

Code 100-518-C Packing 2x10L/Ctn pH (0.5±) 2.0

- Heavy duty acid stain remover
- Highly effective descaler, rust and fungus remover

Do you know that IMEC Spray Bottle can be use with highly acidic or alkaline detergents?

IMEC 514 Industrial Degreaser

Code 100-514-C Packing 2x10L/Ctn pH (0.5±) 12.5

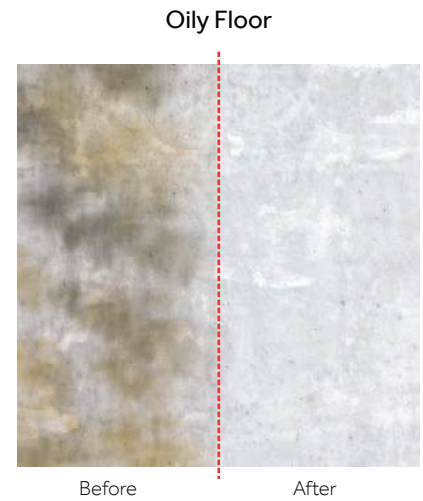

- Water-based biodegradable degreaser
- Safe to use in F&B area & contains rust inhibitor
- Recommended for removing vegetable & mineral oil

IMEC 584 DC 10

Code 100-584-C Packing 2x10L/Ctn pH (0.5±) 13.0

- Solvent-based ultra-duty degreaser that penetrate and dissolves even the heaviest grease accumulations
- For use in shipping and bus terminal floors, machine and automotive industry, engine room & food cargo tanks

IMEC MPP-A Marble Powder for all colours

Code 130-1400-5 Packing 5 kg/Pack

- Revitalises dull and lifeless floor to a sparkling finish
- Use IMEC508 as daily maintenance to enhance glossy surface

IMEC 508 Acryl Link

Code 130-1440 Packing 1kg/Bottle pH (0.5±) 3.5
130-1440-C 6x1kg/ Ctn

- Specially designed to restore and protect marble, terrazzo and tiles flooring
- Comes with powerful properties against dust, acid, scratch and corrosion resistance with excellent self-cleaning

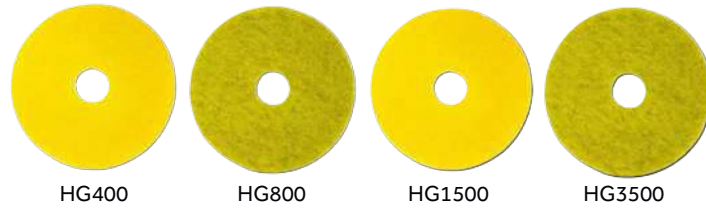

IMEC D100 Floor Diamond Coat

Code 130-1460 Packing 1kg/Bottle pH (0.5±) 3.5
130-1460-C 6x1kg/ Ctn

- Works as crystal shield for all kinds of flooring
- Protects against dust, acid/alkali, washing, scratch and stain, and excellent self-cleaning performance

Use with IMEC 480 Plus machine for incredible cleaning outcome

- Removes pesticides from fruit and vegetables
- Can be used as dishwashing liquid, hard surface cleaner and degreaser in the kitchen

NEW

IMEC 532 Descaler

Code 100-532-C Packing 2x10L/ Ctn pH (0.5±) 2.5

- Effectively removes limescale, mineral deposits, and hard water stains
- Suitable for kitchen equipment and food-contact surfaces

IMEC 548 Dishwash

Code 100-548-5 Packing 5L/Bottle pH (0.5±) 7.0
 100-548-C 2x10L/Ctn 7.0

- Highly concentrated hand dishwashing liquid
- Contain neutral biodegradable ingredient
- Use on dishes, cutlery, glassware and household utensils

IMEC 581 Fly Away

Code 100-581-5 Packing 5L/Bottle pH (0.5±) 6.0
 100-581-C 2x10L/ Ctn 6.0

- Leave fresh lemongrass fragrance
- Repel insects, clean and sanitise in one application

IMEC 575 Oven Kleen

Code 100-575-C Packing 2x10L/Ctn pH (0.5±) 13.0

- High performance alkaline oven cleaner that removes carbonized fats, oils, and grease
- Ideal for cleaning grill drip pan, porcelain, and glass

Kitchen Disinfectant

IMEC 585SP SANI Plus

Code 100-585SP-5 Packing 5L/Bottle

- 75% desaturated alcohol instantly kill virus and bacteria without soap and water
- Suitable for hands, surfaces, utensils, etc.

IMEC 556SG SANI Guard

Code 100-556SG-5 Packing 5L/Bottle pH (0.5±) 7.0

- Rinse-free quat sanitiser designed for use on food contact surfaces
- Safe to use on all surfaces, kitchen utensils and equipments

IMEC 557 Mac Kleen

Code 100-557-C **Packing** 2x10L/Ctn **pH (0.5±)** 13.5

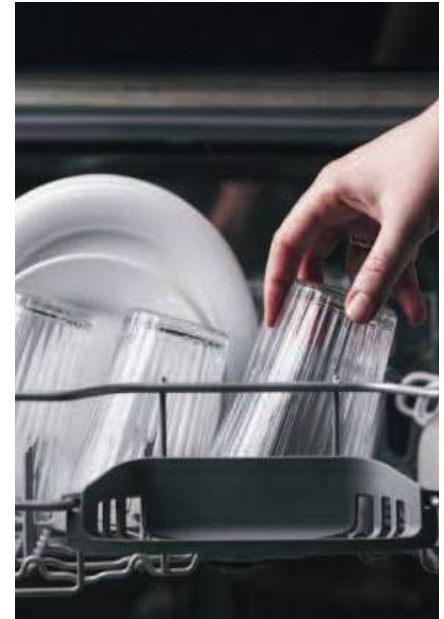

- Biodegradable concentrated detergent for dishwashing machine
- Contains metasilicate to protect chinaware and metalware

IMEC 558 Rinse Aid

Code 100-558-C **Packing** 2x10L/Ctn **pH (0.5±)** 3.0

- Rinsing detergent for dishwashing machine
- Will not dull surface, leaving a clear, sterile surface without spotting or streaking
- Reduce drying time
- Dispense through IMEC PRO D.5578 Dispenser

IMEC PRO D.5578 Automatic Pump Digital Dispenser

Code 120-1802 **Packing** 1 Unit/Box

- Digital time programming for Mac Kleen and Rinse Aid dosing
- Dispense accurate dosage for mixing to ensure best cleaning performance

IMEC 579 Meczym

Code 100-579-C **Packing** 2x10L/Ctn **pH (0.5±)** 6.0

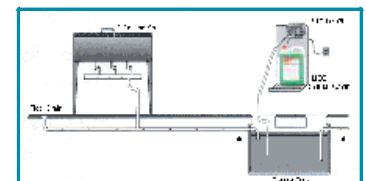

- Non-caustic biological grease trap maintainer
- Dispense through IMEC PRO D.579 Dispenser
- Composed of a synergistic blend of bacteria strains and multiple enzyme system which will break down grease, fats, and other complex organic material naturally

IMEC PRO D.579 Timer Control for Grease Trap

Code 120-1852 **Packing** 1 Unit/Box

- Digital time programming for grease trap maintainer dosing
- Prevent grease build up from blocking drainage system

Suction Motor DC	24V / 400W
Brush Speed	150 rpm
Brush Size	15" x 2
Cleaning Width	85 cm
Working Capacity	4500 m ² /h
Solution Tank	110 L
Recovery Tank	110 L
Dimension (cm)	88 (L) x 160 (W) x 124.5 (H)
Weight	268 kg

- MMG is the most advanced Fimap machine that makes cleaning operation intelligent, interactive and easy
- The most innovative solutions is being used to increase productivity and get the best results and benefits in small and medium areas
- The most innovative solutions is being used to increase productivity and get the best results and benefits in small and medium areas
- Drive allows to manage all machine functions through a control panel on a touch screen it makes driving easier and ensures a good start on cleaning operation
- FLR-Fimap Long Range recycling system that increases productivity, using up to 70% less chemicals
- Power Mode increases scrubbing effectiveness in heavy duty cleaning tasks
- Built-in bumpers help to protect components, reduce maintenance and ownership costs

IMEC FIMAP MXR

Ride On Auto Floor Scrubber
Code: 280-105860

Technical Specifications

Brush Motor DC	24V / 450W
Suction Motor DC	24V / 310W
Brush Speed	170 rpm
Pad/Brush Size	22"
Cleaning Width	56 cm
Working Capacity	3000 m ² /h
Solution Tank	70 L
Recovery Tank	70 L
Dimension (cm)	126.5 (L) x 60 (W) x 103 (H)
Weight	190 kg

- Mxr aims to offer reduced environmental impact, in both the production and usage phases.
- All the components are protected inside the machine unit. This means less risk of breaking in case of accidental impact, avoiding additional repair costs and ensuring a longer working life.
- Low cost and super easy maintenance.

IMEC GX80

Ride On Auto Floor Scrubber
Code: 280-GX80

Technical Specifications

Brush Motor DC	24V / 500 W
Suction Motor DC	24V / 550 W
Brush/Pad Speed	180 rpm
Brush/Pad Size	20"
Cleaning Width	56 cm
Working Capacity	3500 m ² /h
Solution Tank	70 L
Recovery Tank	80 L
Dimension (cm)	120(L) x 82(W) x 115(H)
Weight	240 kg

- Powerful motor enhance durability and increase battery lifespan
- Efficient cleaning with 3 in 1 function. Wash, Scrub & Dry at one time
- Compact design that able to clean up to 3,500 m²/h
- Ergonomic and easy maneuverability design
- Unlike larger machines, this model is able to clean through tight/narrow areas and around obstacles easily
- Budget friendly option compared to large models machineries
- Versatility that fits for variety environment and industry.

Floor Care Machine

Ride-On Auto Scrubber

IMEC GX105

Ride On Auto Floor Scrubber
Code: 280-GX105

Technical Specifications

Brush Motor DC	24V / 2 x 300 W
Suction Motor DC	24V / 500 W
Brush/Pad Speed	180 rpm
Brush/Pad Size	2 x 13"
Cleaning Width	76 cm
Working Capacity	4200 m ² /h
Solution Tank	100 L
Recovery Tank	105 L
Dimension (cm)	130(L) x 82(W) x 127.4(H)
Weight	334 kg

- With compact design, highly maneuverable and firm structure, combines intuitive operation and high-efficiency performance
- Eco with silent modes make it easy to clean over longer period
- Increase productivity with wider cleaning width to cover more cleaning area in less time

IMEC GX140

Ride On Auto Floor Scrubber
Code: 280-GX140

Technical Specifications

Brush Motor DC	24V / 2 x 500 W
Suction Motor DC	24V / 600 W
Brush/Pad Speed	180 rpm
Brush/Pad Size	2 x 16"
Cleaning Width	86 cm
Working Capacity	5500 m ² /h
Solution Tank	120 L
Recovery Tank	140 L
Dimension (cm)	145 (L) x 105 (W) x 130 (H)
Weight	370 kg

- Large tank capacity designed to clean up to 27,500 square meters for daily basis cleaning
- Efficient cleaning with 3 in 1 function. Wash, Scrub & Dry at one time
- Increase productivity with wider cleaning width to cover more cleaning area in less time

IMEC GX180

Ride On Auto Floor Scrubber
Code: 280-GX180

Technical Specifications

Brush Motor DC	24V / 2 x 500 W
Suction Motor DC	24V / 550 W
Brush/Pad Speed	180 rpm
Brush/Pad Size	2 x 18"
Cleaning Width	86 cm
Working Capacity	6000 m ² /h
Solution Tank	170 L
Recovery Tank	180 L
Dimension (cm)	160 (L) x 105(W) x 145(H)
Weight	400 kg

- Large tank capacity designed to clean up to 30,000 square meters for daily basis cleaning
- Efficient cleaning with 3 in 1 function. Wash, Scrub & Dry at one time
- Increase productivity with wider cleaning width to cover more cleaning area in less time

IMEC MS1100

Manual Outdoor Sweeper
Code: 260-MS1100

Technical Specifications

Cleaning Width	100 cm
Working Capacity	3580 m ² / h
Dust Capacity	55 L
Dimension (cm)	81 (L) x 108(H) x 87 (W)
Weight	19.6 kg

- Designed for a bulk garbage collection
- Adopts a unique spiral variable-direction transmission technology design
- Two rotating front brushes synchronously cooperate with the flat shovel close to the ground and collect massive garbage on the ground easily into the garbage bin
- The whole cleaning process is dust-free, noise-free and clean

IMEC i-SWEEP 22

Battery Operated Walk Behind Auto Floor Sweeper
Code: 260-69022

Technical Specifications

Brush Motor DC	12V / 270W
Brush Speed	105 rpm
Working Capacity	4000 m ² / h
Cleaning Width	100 cm
Dirty Hopper Capacity	22 L
Centre Brush Length	40 cm
Side Brush Length	40 cm (D)
Charging Hours	8 Hours
Battery Running Hours	5 Hours
Dimension (cm)	147 (L) x 98 (W) x 100 (H)
Product Weight	90 kg

- Excellent cleaning result able to pick/suck up all fine dust/debris compact and maneuverable makes machine can easily go around obstacles
- Excellent suction motor and efficient air filter to ensure no dust to come out during cleaning
- Low maintenance cost
- Strong protected frame and all components to avoid damages

Floor Care Machine

Ride-On Auto Sweeper

IMEC FIMAP FSR-B

Ride On Floor Sweeper Battery Driven
Code: 280-106551

Technical Specifications

Brush Motor DC	24V / 380W
Working Capacity	5100 m ² /h
Cleaning Width	100 cm
Dirty Hopper Capacity	65 L
Centre Broom Length	60 cm
Side Brush Length	40 cm
Dimension (cm)	145.5 (L) x 84.5 (W) x 108 (H)
Weight	248.3 kg

- Suitable for both indoor and outdoor cleaning
- Compact maneuverable and can easily go around obstacles
- Easy and simple maintenance; debris hopper is very easy to remove and empty with no efforts
- User-friendly, ergonomic and easy drive steering wheel without distractions
- Enhanced with safety features

IMEC FIMAP FSR HYBRID

Ride On Floor Sweeper Battery & Petrol Driven
Code: 280-106553

Technical Specifications

Brush Motor DC	24V / 380W
Working Capacity	5100 m ² /h
Cleaning Width	100 cm
Dirty Hopper Capacity	65 L
Centre Broom Length	60 cm
Side Brush Length	40 cm
Dimension (cm)	145.5 (L) x 84.5 (W) x 108 (H)
Weight	255 kg

- Suitable for both indoor and outdoor cleaning
- Compact maneuverable and can easily go around obstacles
- Up to 45% energy saved
- Available with panel filter, for standard operations, or with cloth filter to achieve excellent filtering results, especially for environments with high presence of vastly fine dust

LED Lights

Edges and corners friendly

Water sprayer

IMEC i-SWEEP 90

Ride On Floor Sweeper Battery Driven
Code: 280-19700

Technical Specifications

Brush Motor DC	12V / 400W
Working Capacity	6600 m ² /h
Cleaning Width	120 cm
Dirty Hopper Capacity	90 L
Centre Brush Length	45 cm
Side Brush Length	28 cm
Dimension (cm)	165 (L) x 94.5 (W) x 135 (H)
Weight	540 kg

- Powerful sweeping machine perfect for outdoors and indoors
- Built-in big tools box
- Comes with overhead guard to protect operator from falling object or direct sunlight during outdoor cleaning
- Comes with water spray function
- Suitable for carpet and floor in airports, hotels or convention centers

IMEC i-SWEEP 126

Ride On Auto Floor Sweeper
Code: 280-12600

Technical Specifications

Brush Motor DC	48V/650 W
Working Capacity	7200 m ² /h
Cleaning Width	126 cm
Dirty Hopper Capacity	80 L
Water Tank Capacity	70 L
Centre broom Length	55 cm
Side Brush Length	2x50 cm
Dimension	156 (L) x 126 (W) x 132 (H)
Weight	350 kg

IMEC i-SWEEP 140

Ride On Auto Floor Sweeper
Code: 280-14000

Technical Specifications

Brush Motor DC	48V / 700W
Working Capacity	9200 m ² /h
Cleaning Width	140 cm
Dirty Hopper Capacity	180 L
Water Tank Capacity	70 L
Centre broom Length	70 cm
Side Brush Length	2x50 cm
Dimension	175 (L) x 125 (W) x 135 (H)
Weight	400 kg

IMEC i-SWEEP 180

Ride On Auto Floor Sweeper
Code: 280-18000

Technical Specifications

Brush Motor DC	48V / 700W
Working Capacity	12600 m ² /h
Cleaning Width	180 cm
Dirty Hopper Capacity	180 L
Water Tank Capacity	70 L
Centre broom Length	70 cm
Side Brush Length	2x50 cm
Dimension	185 (L) x 190 (W) x 200 (H)
Weight	500 kg

Floor Care Machine

Ride-On Auto Sweeper

IMEC SNS330

Ride On Battery Operated Auto Floor
Code: 280-145000

Technical Specifications

Cleaning Width	1450 mm
Squeegee Width	1350 mm
Side Brush Diameter	500 mm x 2
Main Brush Size	790 x 300 mm
Scrubbing brush	380 mm x 3
Working Capacity	13050 m ² /h
Forward Speed	0-9 km/h
Solution Tank	280 L
Recovery Tank	330 L
Dirty Hopper Capacity	30 L
Vacuuming Filter	4.2 m ²
Battery Type	Lithium
Battery Capacity	72 V / 300 Ah
Charging Time	8 hours
Running time	Up to 6 hours
Main Brush Motor	950 W
Side Brush Motor	90 W x 2
Dust Vibrating Motor	120 W
Brush Motor	600 W x 3
Suction Motor	600 W x 2
Driving Motor	2800 W
Weight	1015 kg
Dimension	2800 x 1460 x 1590 mm

Suitable for various floor type

Cement Floor

Stone Brick

Epoxy Coated

Concrete

Industrial
Grade Vinyl

Tiles

Sweeping + Scrubbing

Cleanse Effectively

Multipurpose
Cleaning Solution

Durable & easy
to Operate

Area performance:
13050 m²/h

Cleaning width: 1450 mm

IDEAL TO USE

★ Standard Accessories

- Water Hose
- Pressure Gun
- Pressure Lance
- Pressure Hose

IMEC HP130

High Pressure Cleaner
Code: 205-130

Technical Specifications

Voltage	220 - 240 V
Motor Power	2500 W
Water Pump Pressure	13 Mpa
Spray Rate	130 bar
Water Pump Speed	1400 rpm
Water Flow Rate	10 L / Min
Weight	44 kg

- The machine is designed for use the toughest conditions, with an extremely robust basic frame, and is surprisingly mobile. Thanks to the ergonomic frame concept
- High-pressure triggered gun with zero holding force for fatigue-free operation
- Mainly used in cleaning and maintenance of all kinds of airports, railway station, car parks, logistic centres and industrial facilities

★ Standard Accessories

- Water Hose
- Pressure Gun
- Pressure Lance
- Pressure Hose
- IMEC MC120

★ Optional Accessories

- S/Steel Surface Cleaner 21" (205-921)

IMEC HP270G

Petrol Driven High Pressure Jet
Code: 205-270G

Technical Specifications

Motor Power	15 HP
Petrol Tank Capacity	5 L
Spray Rate/Water Pump Pressure	270 Bar / 27 Mpa
Water Flow Rate	15L/Min
Max. Inlet Water Temperature	30°C
Dimension (cm)	55(L) x 90(W) x 69(H)
Weight	70 kg

- The petrol driven high pressure jet cleaner is fitted with a LiFan petrol engine, allowing total independence from external power sources
- The pump is reliably protected by a large water filter and a thermostat valve
- A protective cage frame with eyelets to allow crane loading

IMEC HP110

High Pressure Cleaner
Code : 205-110

Technical Specifications

Voltage	220 - 240 V
Frequency	50-60 Hz
Motor Power	3000 W
Motor Type	Single Phase Induction Motor
Water Pump Pressure	110 Bar / 1600Psi
Water Flow Rate	12 L/min
Water Pump Speed	2880 RPM

- Powered by WOJET Industrial Triplex Pump with forged brass manifold deliver consistent water flow
- Single-phase induction Motor with Thermal shutdown to save more electricity and expand the motor lifespan
- Save water consumption with just 12L per minute compare to traditional method

★ Optional Accessories

S/Steel Surface Cleaner 14"
(205-014)

★ Provided Accessories

Comes with multiple size nozzle to met cleaning needed

IMEC HP210G

Petrol Driven High Pressure Cleaner
Code : 205-210G

Technical Specifications

Rated Pressure	3000 PSI / 210 Bar
Rated Flow	2.4 GPM / 9.1 LPM
Starting Mode	Recoil Starter
Fuel Capacity	3.0L
Displacement	209cc
Weight	36 kgs

- Powered by WOJET Axial Pump with built in unloader valve
- Direct hand-pull start safe and environmental friendly

★ Provided Accessories

Comes with multiple size nozzle to met cleaning needed

★ Optional Accessories

S/Steel Surface Cleaner 14"
(205-014)

IMEC iBLACK PRO-T

Super Cool Wind Blower
Code: 201-228

Technical Specifications

Voltage	220 - 240 V
Fan Speed	Low - 1118 rpm Medium - 1253 rpm High - 1375 rpm
Motor	350 W
Cable Length	6 m
Dimension (cm)	30 (L) x 36 (W) x 42 (H)
Weight	6.3 kg

- Lightweight and super strong air blow
- Compact size to fit narrow spaces
- Available in 3 Speed Level to suit various application
- Dries any type of floor and carpet quickly

Long net cover, preventing inhalation of debris

IMEC iBLACK PRO-C

Super Cool Wind Blower
Code: 201-338

Technical Specifications

Voltage	220 - 240 V
Air Flow	Low - 1025 rpm Medium - 1290 rpm High - 1380 rpm
Motor	900 W
Cable Length	7 m
Dimension (cm)	53 (L) x 42 (W) x 52 (H)
Weight	18 kg

- Super strong air, save drying time by HALF!
- Polyurethanes housing impact resistance
- Comes with extendable telescopic handle & large rear wheels for easy transportation
- Rock-solid base structure provide perfect stability during operation
- Features elevator stand to raise the blower for different angles (90°/45°) Available in 3 speed level (low, medium & high) to suit various application

Sturdy adjustable telescopic handle

Floor Care Machine

Upholstery / Carpet Care

Foldable Handle

Large tank capacity

IMEC CK2626B IMEC CK2626E

26" Carpet Keeper Vacuum for Large Carpet Area
Code: 210-2626
210-2626E

Technical Specifications

	• CK2626B	• CK2626E
Voltage	36V DC	220-240 V
Vacuum Motor	436 W DC x 2	800 W x 2
Brush Motor	150 W DC	700 W
Brush Speed	1420 rpm	1360 rpm
Vacuum at Nozzle	3.86 kPa	3.86 kPa
Air Flow Rate	172 L/Sec	172L / Sec
Vacuum Suction	14 M/Bar	14 M/Bar
Noise Level	75 dB(A)	75 dB(A)
Working Capacity	2500 m ² /h	2500 m ² /h
Cleaning Width	66 cm	66 cm
Running Hours	2 Hours	-
Weight	80 kg	65 kg

- Vacuum & Clean large area easily & effectively
- Delivers performance and increases productivity up to 2500 square meter per hour
- Easy operation and reducing operator fatigue while handling the machine
- Brush effectively removes dust and revive carpet pile in high traffic areas so your carpet stay looking great longer

IMEC MK1

Heater Carpet Extractor Machine
Code: 201- MK1

Technical Specifications

Voltage	220 - 240 V
Suction Motor	2 x 1100 W
Spray Rate	Up to 600 Psi
Frequency	50-60Hz
Vacuum Suction	230 m / Bar
Solution Tank	50 L
Recovery Tank	50 L
Cable Length	20 m
Dimension (cm)	58 (L) x 75 (W) x 106 (H)
Weight	50 kg

Adjustable pressure up to 600 PSI

Easy reached control panel

Large rear pneumatic wheels

IMEC iBLACK MOBILE 400EX PLUS

Carpet Extractor Machine
Code: 201-400-PLUS

Technical Specifications

Voltage	220 - 240 V
Suction Motor	1000 W (3 Stage Motor)
Brush Motor	190 W
Pressure	116 psi
Brush Width	40 cm
Suction Width	45.5 cm
Cable Length	12 m
Solution Tank	35 L
Recovery Tank	35 L
Dimension (cm)	46 (L) x 104 (W) x 87.5 (H)
Weight	48.5 kg

★ Standard Accessories

Hand Utility Tools

Vacuum & Water Hose

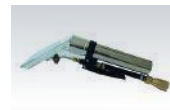

IMEC iBLACK MOBILE 500EX

Carpet Extractor Machine with Hot/Cold Water System
Code: 201-500

Technical Specifications

Voltage	220 - 240 V
Suction Motor	1000 (3 Stage Motor)

Battery Capacity	90 Ah
Charging Time	Automatic Voltage Detection: High Voltage: approx 3h Low Voltage: approx 4.5h
Run-Time	Sweeping & Scrubbing: Max 7.5h
Weight	approx. 344 kg
Dimensions	119.5(L) x 76(H) x 13.03(W) (with squeegee) 112(L) x 66(H) x 13.03(W) (without squeegee)
Navigation Methods	3D LiDAR + 3D VSLAM Fusion Positioning
Cruise Speed	0.2 - 1.2 m/s
Cleaning Width	550 mm / 708 mm (with side brushes)
Cleaning Performance	Covered Cleaning Mode: Max 2000 m ² /h
Tank Group Capacity	Spot Cleaning Mode: Max 6000 m ² /h Trashbin: 5L, Clean Water Tank: 75L, Waste Water Tank: 60L Detergent Tank: Dual Detergent Tanks, total approx. 7L

One-Pass Sweep & Scrub

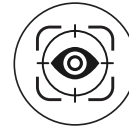

Magic Cleaning

Extendable Edge Cleaning

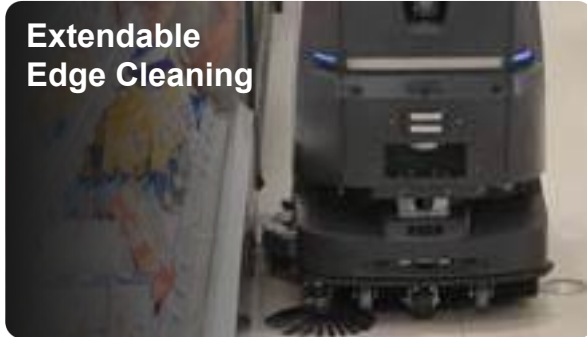

Instant, User-Friendly maintenance

3D Perception Enhancement

Fully Enclosed Machine Design

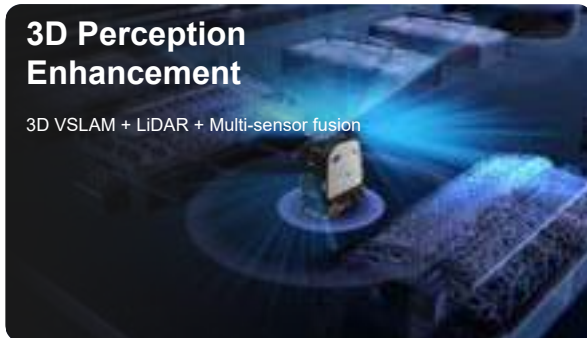

Extendable Edge Cleaning

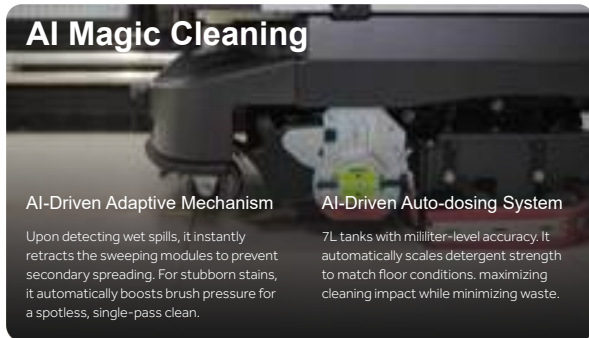

One-Pass Sweep & Scrub

Combine sweeping and deep scrubbing into one efficient workflow. Featuring smart dosing, superior down pressure, and more ground in less time.

3D Perception Enhancement

3D VSLAM + LiDAR + Multi-sensor fusion

AI Magic Cleaning

AI-Driven Adaptive Mechanism

Upon detecting wet spills, it instantly retracts the sweeping modules to prevent secondary spreading. For stubborn stains, it automatically boosts brush pressure for a spotless, single-pass clean.

AI-Driven Auto-dosing System

7L tanks with milliliter-level accuracy. It automatically scales detergent strength to match floor conditions, maximizing cleaning impact while minimizing waste.

Human-Robot Interaction

24/7 Continuous Operation

IMEC ECOBOT 75P

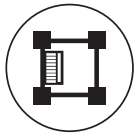

AI-Robotic Heavy Duty Scrubber
Code: 200-GS75P

Technical Specifications

Voltage	29 V
Battery	Li-ion (240 Ah)
Battery Lifespan	2,000 cycles (full charge)
Charging Time	1.5 hours
Run Time	Up to 6 hours
Noise Level	55-70 dB(A)
Water Tank	75 L
Recovery Tank	50 L
Detergent Tank	3.5 L
Trash Tray	5 L
Cleaning Coverage	up to 20,000m ² /d
Cleaning Width	up to 75 cm
Suction Power	20kPa
Brush Pressure	50 kg
Brush Speed	270 rpm
Unladen Weight	400 kg
Dimension (cm)	137 (L) X 96.2 (W) X 141.7 (H)

Cloud & Hardware Solutions for Elevator Control

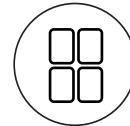

VSLAM+ Semi outdoor Delivery

Multiple Compartment Access Verifications

Full-Scope IoT Integration

Modular Adjustable Compartments

Operational in One Hour
Deployment and re-deployment is as simple as plugging in the robot and charging the battery. No need for complex programming or software updates. The robot is ready to go in under an hour.

Stable Operation with Reliable Navigation
VSLAM with dual LiDAR enables precise localization and navigation in complex indoor environments. The robot can navigate through narrow corridors and around obstacles with ease.

Industrial-Grade Standards
Fully ISO 9001 compliant and CE certified for industrial delivery robots, ensuring safe, reliable operation with professional-grade compliance and quality assurance.

One-piece die-cast construction using aerospace-grade materials
Built with one-piece die-cast construction and aerospace-grade materials, it delivers long-term durability with a service life of up to five years, reducing maintenance costs.

Simple and Intuitive Operation
The tablet-like touchscreen interface allows for easy and intuitive operation. From programming routes to monitoring status, the robot's operation is simple and efficient.

Accessories

- Charging Station
- PUDU Pager
- Pallet Holder

Built for Complex Environments
The robot is designed to operate in a wide range of environments, from clean rooms to industrial settings. Its compact size and low profile allow it to fit through narrow doorways and under low ceilings.

24/7 Continuous Operation
Supports battery swap-out, remote charging, and auto-charging for continuous operation, ensuring your robot is always ready to go. Supports 24/7 operation and remote monitoring.

COMPANY PROFILE

Since its inception in 1992, IMEC has been bringing cleaning innovations and solutions to Malaysia, and countries worldwide. As the leading supplier of commercial and industrial cleaning products, IMEC offers the best range of hygiene solutions to various industries including Hospitality, Healthcare, Banking, Retail, Food & Beverage, Manufacturing, and Government agencies for both Domestic and International Market.

In 2011, IMEC marked a new milestone with its headquarter moved to a new bigger premise with full facilities in Malaysia. With a fully equipped Research & Development facility, IMEC strives for continuous product improvement and development to build new market trends and set new standards for excellence in the cleaning industry.

In addition to our strong Sales & Service Network in Malaysia and Asia Pacific Region, IMEC now brings to you a whole new buying experience for Hygiene Solutions via IMEC Online Store!

VISION

We aspire to be a global leader of commercial and industrial cleaning products and equipment, not only as an OEM and sole distributor of international brands, but also as a manufacturer of our own internationally-recognized brands. In short, we aim to be **"THE GLOBAL HYGIENE SOLUTION PROVIDER"**

MISSION

- To provide all commercial and industrial hygiene solutions to our customers.
- To always exceed customer expectations.
- To stamp out footprint all over the Asia Pacific region.
- To extend our marketing reach beyond Asia Pacific's borders and makes inroads into other continents.
- To intensify R&D efforts to introduce quality brands of our own.

WE UNDERSTAND YOUR CLEANING NEEDS.

At IMEC, we understand your cleaning needs. Our years of experience and continuous effort in Product Research & Development makes us who we are today. We take the lead in new product innovations and set the trend in cleaning industry. Together, we can achieve a safer & cleaner environment for you and future generations.

Managing Director
IMEC HYGIENE SDN BHD

CUSTOMER SERVICE

IMEC reputation is built on caring customer support. Our team is well trained and always ready to provide prompt service. It is our commitment to offer the greatest convenience to our customer.

CARE FOR THE ENVIRONMENT

We are devoted to care for the environment. Our priority reflects our desire to formulate high performance cleaning chemicals which are safe to use and care for the future environment.

CONSULTANCY & TRAINING

IMEC provides training programmes in the use of IMEC cleaning chemicals and machineries as a complimentary and value added service to our Sales and Marketing efforts.

CERTIFIED

As an MS ISO 9001:2015 certified company, IMEC adhere to strict quality control standards. Most of IMEC detergents are now certified as Halal by JAKIM and safe to use in the kitchen, F&B and food manufactured industries.

DISTRIBUTORSHIP

Today, IMEC is the sole distributor for several international renowned brands in the region.

INNOVATION & RESEARCH

We strive for continuous product improvement and development. We are ahead into research innovative and environmental friendly hygiene products. We serve the best range of products from all over the world.
